

Days in Each Month

2nd Grade

The knuckle trick, and the rule for February.

Make a fist. Knuckles are the long months, the dips between them are the short ones.

Month	Days	Knuckle?
January	31	knuckle
February	28 or 29	dip
March	31	knuckle
April	30	dip
May	31	knuckle
June	30	dip
July	31	knuckle

After July start again on the first knuckle: August 31, September 30, and so on to December 31.
