

Being a Good Citizen

2nd Grade

Six things that make a place better for everybody in it.

A citizen is someone who belongs to a community — and helps look after it.

TOWARDS PEOPLE

tell the truth

take turns fairly

help without being asked

include someone left out

TOWARDS THE PLACE

put litter in the bin

look after shared things

follow the rules

save water and power

Rules exist so a place works for everyone, not just for whoever got there first.
