

Past and Present Verbs

2nd Grade

When it happened, and the irregular verbs that break every rule.

Most verbs add -ed for the past. A stubborn few change completely.

Now	Yesterday	Regular?
walk	walked	yes — add ed
play	played	yes — add ed
go	went	no — new word
run	ran	no — vowel change
eat	ate	no — new word
see	saw	no — new word
is	was	no — new word

"I goed" is a smart mistake — the rule was applied correctly to a word that ignores it.
