

Map Skills

4th Grade

Compass rose, key, scale, grid and latitude/longitude on one reference.

COMPASS ROSE

Never Eat Shredded Wheat — clockwise from

MAP KEY (LEGEND)

-  capital city
-  town
-  road
-  railway
-  river
-  forest

Always read the key before the map.

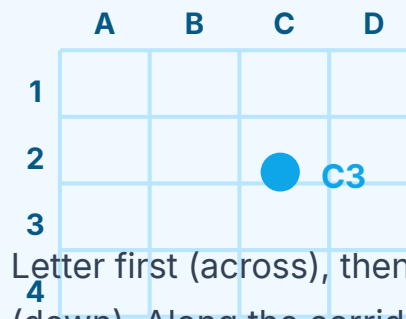

SCALE

0 5 10 15 20 km

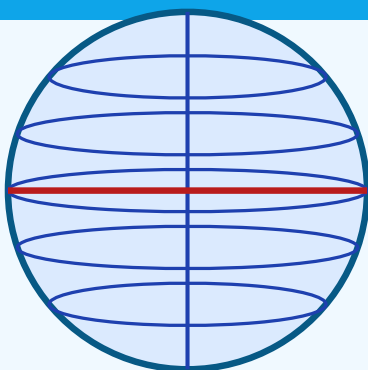

Measure with a ruler, then read the distance off the scale bar.

GRID REFERENCES

Letter first (across), then number (down). Along the corridor, up the stairs.

LATITUDE & LONGITUDE

LATITUDE

lines run across, like rungs of a ladder. 0° is the Equator.

LONGITUDE

lines run pole to pole. 0° is the Prime Meridian.

Give latitude first: 51°N , 0°W is London.
