

Guitar: Barre Chords

Music

Two movable shapes that give you every major and minor chord on the neck.

E-shape roots on string 6; A-shape roots on string 5. Move the shape, read the root.

Fret	E-shape (6th str)	A-shape (5th str)
1	F	B [♭]
2	F [♯]	B
3	G	C
5	A	D
7	B	E
8	C	F
10	D	G
12	E	A

Minor is the same shape with one finger lifted: E-shape drops the note on string 3, A-shape on string 2.
