

Words That Rhyme

Kindergarten

What rhyming actually means, and how to hear it.

Rhyming words end with the same sound — the beginning can be anything.

THESE RHYME

cat / hat

dog / log

star / car

bee / tree

moon / spoon

sun / fun

THESE DO NOT

cat / cup

dog / duck

star / stop

bee / bat

moon / mop

sun / sock

The second list starts the same but ends differently. That is the trap — listen to the end.
