

Loud and Quiet

Pre-Kindergarten

Sorting the world by how much noise it makes.

LOUD

- A drum
- A siren
- A lion roaring
- A door slamming
- Everyone cheering

QUIET

- A whisper
- A cat walking
- Snow falling
- Turning a page
- Someone sleeping

THE DIFFERENCE THAT MATTERS

Inside voices are for indoors. Outside voices are for outdoors. Both are allowed — in the right place.

Practise the whisper. It is the harder one.
