

Connectors

Languages

The linking words that make speech sound fluent rather than assembled.

Grouped by what they do to the sentence.

Adding

además – besides

también – also

asimismo – likewise

es decir – that is to say

Contrasting

pero – but

sin embargo – however

aunque – although

en cambio – on the other hand

Cause & effect

porque – because

por lo tanto – therefore

así que – so

ya que – since

Sequencing

primero – first

luego – then

finalmente – finally

por fin – at last

Aunque takes the indicative for facts and the subjunctive for hypotheticals: aunque es caro vs aunque sea caro.
