

Spanish Numbers

Languages

One to a million, with the joins that are irregular.

The patterns, with the irregular forms picked out.

Range	Pattern	Example
1-15	Memorise	uno ... quince
16-19	dieci- + digit	dieciséis, diecisiete
20-29	veinti- + digit	veintiuno, veintidós
30-99	tens + y + digit	treinta y uno
100	cien / ciento	cien libros, ciento uno
200-900	-cientos	doscientos, quinientos
1000	mil	dos mil, no 'un mil'

500, 700 and 900 are irregular: quinientos, setecientos, novecientos.
Uno becomes un before a masculine noun.
